**Expression of Interest from suitable and willing Agencies for setting up of a  
Molecular Lab at Post Graduate Institute of Medical Education & Research  
(PGIMER), Dr. RML Hospital, New Delhi .**

.....

Director, Post Graduate Institute of Medical Education & Research (PGIMER), Dr. Ram Manohar Lohia Hospital, New Delhi for and on behalf of President of India invites Expression of Interest from the interested and experienced Agencies for setting up of a Molecular Lab at 5<sup>th</sup> Floor of Academic Block in the Institute.

**Introduction**

PGIMER at Dr. RML Hospital is a premier Institution which conducts post graduate and super specialty courses in medical sciences. PGIMER is planning to set up a Molecular Lab at 5<sup>th</sup> Floor of its Academic Block.

In this connection, agencies interested and experienced in the field are requested to submit formal application for expression of interest along with terms and conditions for setting up of Molecular Lab, technical details and experience of having setting up of Molecular Lab.

**Scope of Work**

The scope of work for setting up of Molecular Lab includes:-

- (i) Setting up of Lab for technical work :- which includes PCR , RT-PCR, in-situ PCR, Cytogenetics, FISH tissue culture and confocal microscopy primarily for research purposes.
- (ii) Structural Changes:- to carry out necessary Civil/Engineering/Electrical/Air-conditioning works etc. for setting up of the Lab.
- (iii) Initial supply of reagents and chemicals.
- (iv) Provision of training of the laboratory staff and doctors

Contd..2/-

**Conditions:**

- (i) This is only an invitation for Expression of Interest.
- (ii) Those agencies who express their interest for the aforementioned work and submit their proposal will be called on a specific date.
- (iii) The agencies will be given an overview of scope and scale of operation in the proposed work.
- (iv) It is expected that to familiarize themselves with existing work patterns and develop proposal, agency will do an onsite visit. To facilitate this, institute will designate official/officials.
- (v) Agencies may seek clarification on any point contained in this document during the interactive meet.
- (vi) The proposal is to be submitted as per format given in this document.
- (vii) The proposals will be studied and agencies will be called to give presentation on their proposal submitted.
- (viii) Based upon the presentations made, evaluation of proposal will be done by a duly constituted Committee in PGIMER.
- (ix) The Committee may decide to go for site visit/s to assess capacity of agencies to carry out the proposed work.
- (x) Based on the above deliberations, the agencies will be short listed.
- (xi) The tender document will be issued to short listed agencies against prescribed fee.
- (xii) Before submission, but after sale of tender document, the shortlisted agencies who have bought the document will be called for pre-tender meeting to discuss terms and conditions in the tender document. Based on feedback received, PGIMER may change/modify tender terms and condition and in that case the same will be communicated and then all the participant will be asked to submit bids by a specific date.
- (xiii) After this submission, bids will be evaluated as per standard procedure.
- (xiv) Director, PGIMER reserves the right to reject any or all EOIs or cancel/withdraw the request inviting proposal without assigning any reason whatsoever and in such case no intending bidder shall have any claim arising out of such action.
- (xv) This advertisement does not constitute nor should it be interpreted as an offer or invitation for setting up of Molecular Lab.

**Eligibility**

Only such agencies, who have past experience in setting up of such Lab in Government / Public Sector/reputed Hospital/Colleges/Institutes will be considered as eligible. The participating firms found eligible after scrutiny will be shortlisted for participation in bidding process.
