

Inaugral issue of quarterly news letter PHYSIONEWS released by Director and Medical Superintendent Dr.A .K.Gadpayle on 23.11.16

We as a department of this esteemed Hospital try to keep pace with the latest advances in field of Physiotherapy both in terms of techniques and equipment. In keeping with same spirit, Physiotherapy department has come up with first issue of its quarterly newsletter PHYSIONEWS. The newsletter will be quarterly feature giving information about activities of the Physiotherapy Department, information about latest treatment methodologies, educational and awareness articles on lifestyle modifications including physical fitness, ergonomics, postural care etc.
