CIRCULAR

Department of Surgery is presently conducting Speciality Clinics in areas of Renal Transplant and Bariatric Surgery etc. We have now been allotted more space for expanding the scope of speciality clinics in our department. This is important from training point of view as well as MCI requirements. All Heads of Unit are requested to participate and encourage the growth of the newer speciality clinics in the areas of Breast & Endocrine Surgery and Cancer Surgery. The following modified schedule of Speciality Clinics will be conducted from room No. 98-A, OPD first floor w.e.f. 7.2.2019 from 2 – 4 P.M.
