Dr Ram Manohar Lohia Hospital
Baba Kharak Singh Marg, New Delhi-110001**

INCIDENT / ACCIDENT REPORTING FORM

S. No. _____

An incident is any happening which is not consistent with the routine operation of the hospital or the routine care of a particular patient. It includes occurrences within the hospital that could have led or did lead to an undesirable outcome. **Sentinel event** is an incident which leads to death or major and enduring loss of function for a recipient of Health care services. The impairment lasts for a minimum period of 2 weeks and is not related to any underlying condition.

INSTRUCTIONS :

1. Strike out entire sections that do not apply
2. Complete both sides and sign reports
3. The completed form should be submitted to Safety Committee within 48 hours of the incident for onward transmission to Quality Department.
4. **Tick mark appropriately** : Incident form has been filled earlier for the same person anytime after admission : **YES/NO**
